All cases are assigned one of the following resolutions:

1. Concerns are successfully addressed. Student Affairs Team will continue to monitor.
2. Student did not make significant progress and natural consequences will follow.

Empower Students

Enable students to feel connected and equipped with tools and resources at Emory.

Provide students opportunities to speak about their experiences and needs.

Support Progress

Create an Advisor/Advisee expectation plan and have regular check-in meetings to review and update plan.

Consult DGS and other faculty as needed.

Report concerns to DGS/PD and Chair as needed.

DGS meets with Student Affairs Team Member to explore solutions.

Intervention

Student Affairs Team checks-in with student.

Student, DGS, and Advisor will develop academic performance improvement plan (PIP).

Student Affairs Team will meet with student monthly until PIP is no longer needed.
