## Primary Care Consortium

**Vision:** Careers in primary care are viable, sustainable, and rewarding. Emory becomes a destination for training and working in primary care.

**Mission:** To promote a positive, diverse culture of collaboration and engagement that supports high value and quality patient-centered primary care, discovery and innovation.

**Goals:**

- To offer and sustain opportunities for excellence in clinical practice, scholarship, research, education, and leadership.
- To serve as a focal point for implementation and on-going integration of activities supporting primary care - across the departments, schools, health systems and communities.
- To support further growth of high-functioning, interdisciplinary, teams, and expand the pipeline of primary care leaders, clinicians, and researchers.
- To support learner focused initiatives.

**Activities:**

- Faculty Engagement, Promotion, Recruitment, and Retention
- Funding Support for Student Groups, Emory Primary Care Branding/Outreach (External and Internal Audiences), Individual Project Grants
- Cataloging and Promoting Emory's Primary Care Activities/Projects/Efforts
