

GRADUATE EMPLOYMENT REPORT

2018

DEPARTMENT OF EPIDEMIOLOGY (EPI)

ROLLINS SCHOOL OF PUBLIC HEALTH,
EMORY UNIVERSITY

CREATED BY THE OFFICE OF CAREER DEVELOPMENT

EPI Class of 2018

Department	Total Graduates	Total Respondents	Response Rate
EPI	128	124	97%

- ✓ The Department of Epidemiology (EPI) Class of 2018, with 128 graduates, includes those who graduated in August 2017, December 2017, and May 2018.
- ✓ The graduate outcomes information was collected at graduation and the unemployed received monthly follow-ups through the first year post-graduation until employment or continuing education was secured.
- ✓ The information in this report was self-reported survey data provided by the graduate.
- ✓ Data collection for this report was completed in May 2019, at the 12th month after the May 2018 graduation.
- ✓ Information collected includes employment sector, salary range, amount of time spent job searching, and number of resumes sent.

Graduate Degree Status

Department	MPH	MSPH	Grand Total
EPI	121	7	128

Survey Respondents' Post-Graduation Employment Status

Of the 128 graduates, 124 graduates from the Epidemiology Department provided their post-graduation employment status through the completion of the Graduate Outcomes and Exit Survey within the 12-month data collection period.*

	Continuing Education	Employed	Not Seeking Employment	Still Seeking Employment	Did Not Respond to Survey (Unknown)	Total Graduates
EPI	12	93	3	16	4	128
RATE	9%	73%	2%	13%	3%	100%

* The data captured in the table above is required by the Council on Education for Public Health (CEPH).

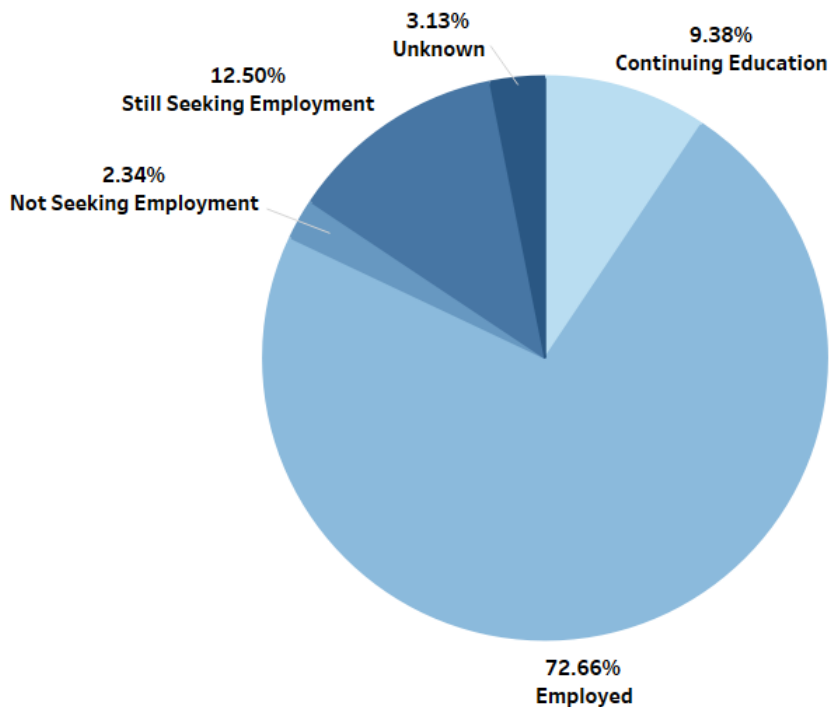

International Student Status

This chart indicates the percentage of international student graduates from the EPI department with a MPH/MSPH degree.

Employment Status

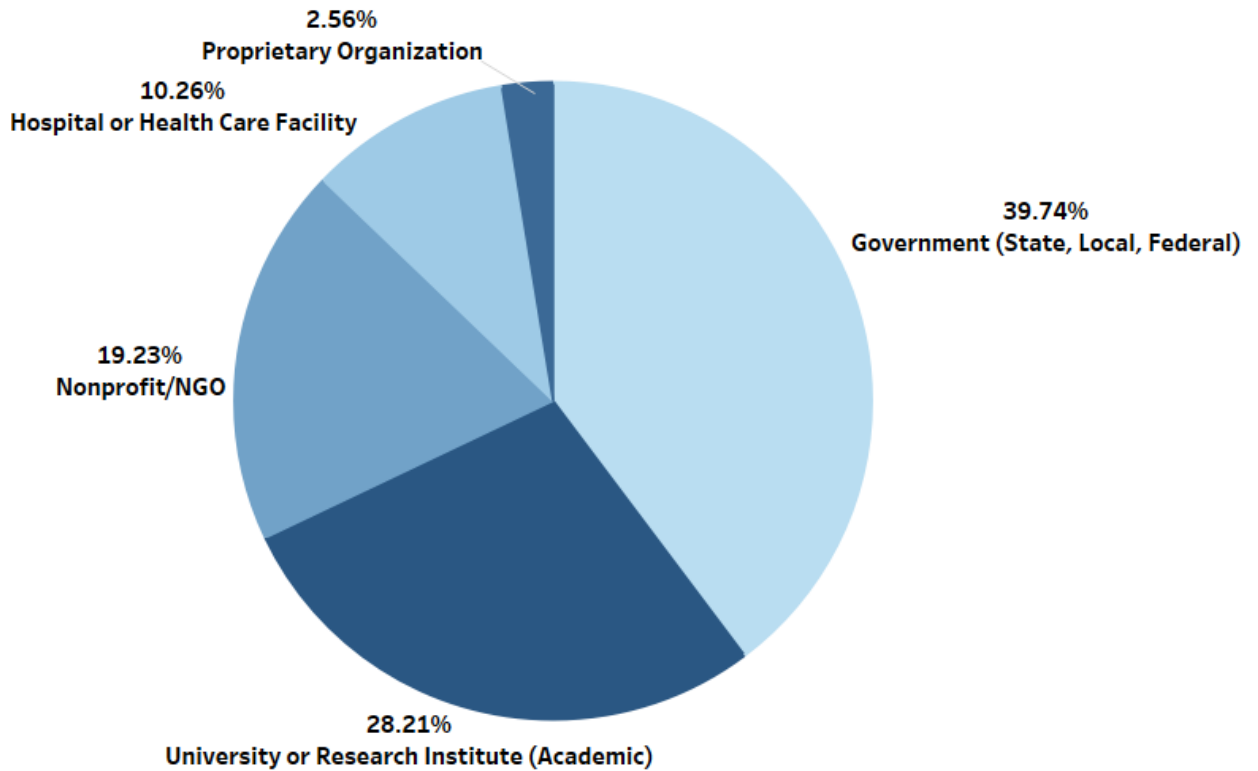

This chart indicates the employment status of the graduate class of 128 within 12 months post-graduation.

The remainder of this report contains data from graduates that reported securing full-time/part-time employment. There were a total of 93 graduates that reported securing full-time/part-time employment.

Employment by Sector

Of the 93 reporting graduates that secured employment within 12-months post-graduation, 40% reported being employed with a government (state, local, federal) agency.

Salary Range of Employed Graduates

The median starting annual salary range reported by graduates securing full-time/part-time employment is \$50,000 - \$59,999. The salary data reported by graduates includes those that reported working as a full-time volunteer, i.e. U.S. Peace Corps, AmeriCorps, etc., which offer a stipend and full-time experience, but not a salary.

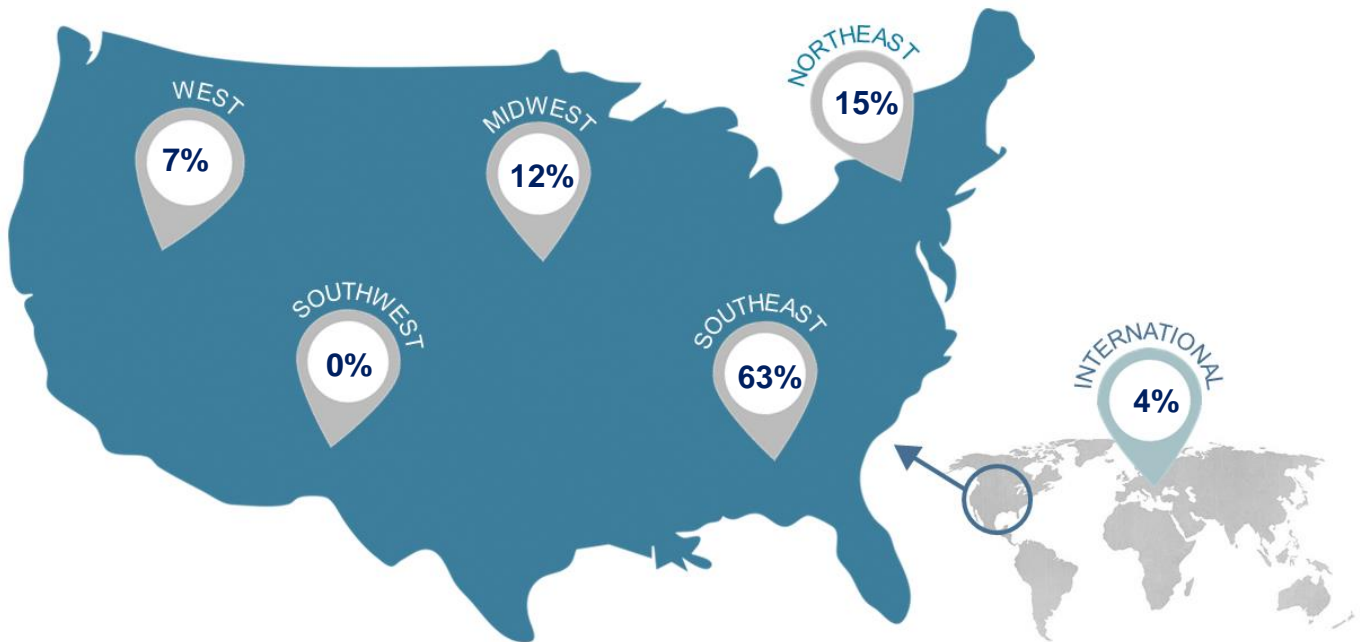

Starting Salary of Employed Graduates by Employment Sector

Employment Sector	% of Employed Graduates	Median Salary Range
University or Research Institute (Academic)	28%	\$40,000 - \$49,999
Government (State, Local, Federal)	40%	\$50,000 - \$59,999
